

Vynas ir Laikas (Wine & Time) Performed by Bix

Written by Saulius ©1991 English version by Jonas Dainius Berzanskis ©1991,2004

In that room there are no panes
And He's deeper deeper underground
The steps lead, higher higher still
but to you they look quite different
There's no There's no reason to fear
That he will tap you on your crown
looks like God loves those more
They are „look“ beneath your feet

It's all the same
For all the same
Um Yeah it's still the same
For all the same

Hey! the Door is here - way up there
There's only one that you know you'll go through (spoken)
They all know countless gods
It is not clear which one is you (spoken)
It's not It's not relevant
The other side of the walls are sky
Do you want to leave footprints here?
If you do not, then why try so hard

Ah! It's all the same
Um Yeah it's still the same
Ah! It's all the same
Um Yeah it's still the same

Hey! In that street it's all the same
Smoke a fag, and drink some coffee
There's no one to judge his faults
He's not clear why he woke up this morning (spoken)
It's not, it's not relevant
On the other side is a drunken party
And you look not even more sober
Even though you think you comprehend more
